

MILLIONAIRES IN TRAINING REGISTRATION AGREEMENT

Centaur Strategies promotes each program well in advance and because of its interactive structure has limited available seating. Once programs have become sold out we stop promoting them and therefore lose the ability to fill your seat. When a place in the program is registered, we reserve your seat, activate your placement in mastermind teams, and online forums, and get you set up with coaches and separate you into groups. The MILLIONAIRES IN TRAINING Program requires a 100% commitment from you and our company and is therefore non-refundable after 10 days. We are here to gently force you to succeed. You alone are the entrepreneur that has been approved for this program. However it may be possible to transfer the course to another individual provided that they are also approved as a match for the MILLIONAIRES IN TRAINING Program. You may not however "sell" this program to another individual. If a situation arises, and you need to put the program on hold, please contact the office via written request at least 30 days in advance and we will make the necessary arrangements for you where possible. For transfers, please see below.

Cancellation Policy & Provisions

1. If on payment plan The MILLIONAIRES IN TRAINING Program™ must have at least second payment paid before you receive entry into the course.
2. All Cancellations must be received in writing by Mail or Fax within 10 days of registration. Voicemail and verbal correspondence DO NOT constitute sufficient notice. Cancellation is the sole responsibility of the student. Any student who fails to notify the office of Centaur Strategies in writing of any changes and simply not "show up" to the program, will result in a complete forfeit of the registered course and all tuitions.
3. All monies processed toward the package are non-refundable after 10 days.
4. If you decide not to continue the program prior to 30 days of the program start date, then you may request to place your program on hold, to forfeit the course, or transfer the remainder to another individual (for any transfers the proposed individual must be approved by Centaur Strategies as a match). Should your transfer of the course be accepted by Centaur Strategies you will be charged a \$200 Transfer fee. You will also be responsible for shipping any materials you received to the transferred party. Within 30 days of the program start date no transfers or postponements of any kind will be permitted.
5. Program pricing is for tuition and materials only (and shipping within Canada and the USA). Any shipping overseas may have additional charges or be COD. The pricing does not include any long distance calls, travel or accommodation.
6. The MILLIONAIRES IN TRAINING™ program has no cash value and may NOT be resold.
7. Bonuses and Discounts are only available in the MILLIONAIRES IN TRAINING Program if purchased at a seminar or offered from a Centaur Strategies advisor with permission from the company.
8. The Sun Village Beach Resort complimentary nights (accommodations only) has no cash value and may not be resold. There is no cash back or refund and the certificate will become null and void if not used within the time indicated on the certificate.
9. Bonus items are given and shipped (when applicable) to the Primary Registrant only.
10. If the Primary Registrant withdraws, at any time, from the MILLIONAIRES IN TRAINING Program, any Spouse/Family co-Registrant will become the Primary Registrant and be responsible for any fees owed.
11. Centaur Strategies reserves the right to change dates, times, and trainers if necessary.
12. In cases of N.S.F. Check or a declined credit card a \$40.00 charge will be applied. If this occurs on a payment plan, the registrant will no longer be eligible for the payment plan and will be immediately responsible for the full remaining balance immediately.
